

TO OUR YOUNG KING JOSIAHS! - WE ARE SO DELIGHTED TO WELCOME YOU TO REFUEL YOUTH THIS SUMMER! ARE YOU READY FOR REVELATION AND TRANSFORMATION...AND FUN!!

The Refuel Festival wishes to firstly thank the teams from The Message Scotland and DNA UK who have served this festival so well since 2017 and are sadly not with us this year.

The Message Trust reduced the scale of their work in Scotland following the Lockdown Years with Tim and Jamie moving on to other pastures. We pray every blessing upon them both and with our utmost gratitude for what they achieved with our young people over the years.

This year, we are blessed by a wonderful new team from **THE PAIS MOVEMENT** who are a non-demoninational, non-profit Missional Youth Movement

PAIS MOVEMENT

The teens have two venues to meet in all week. The first is the fabby stretch tent at their campsite that they enjoyed last time - for chilling in, meeting in, making tea and toast in!

And the other is a marquee with staging, lighting and PA. This Marquee is being used by the kids ministry in the morning but after 1pm it's all theirs!

The Refuel Festival is FREE to attend but these additional activities with Pais Movement cost only a few pound every day.

Other payable activities are - Mountain biking, paddle boarding, gorge walking, climbing, archery.

There is also an amazing AMERICAN FOOTBALL coach and experience called TOUCHDOWN with us all week to let everyone have a go!
